ISAIAH 61

YOUTH QUAKE

Youth workers and youth in grades 7-12 are invited to join us at one of our two retreats happening this spring. Sr. High (April 26th - 28th) is now SOLD OUT, and we are so excited to connect with you all this spring! Registration is still open for Jr. High (May 10th-11th). Join us as we dive into solid biblical teaching in our main sessions, grow in our individual faith, connect deeper to what God is doing in each of our lives and journey together through this year's theme passage, Isaiah 61. We want to explore how faith completely changes our lives, just like turning ashes into something beautiful or seeing renewal in what was once destroyed. At YQ24, we will talk about what this passage means for us today and, together, continue learning how we can bring glory to the Father with our whole lives.
